A SMART MOVE.

ERA® GOLD STAR PROPERTY

TAKE A SMARTER APPROACH TO SELLING YOUR HOME.

Once you make the decision to sell your home, it's time to start preparing it for sale. You want to maximize its value and minimize the amount of time your house sits on the market. It may seem like an easy task, but it may be more challenging than it appears. We can help.

ERA® Gold Star Property is designed to help you prepare your property so it will appeal to a larger pool of buyers and attract offers. This comprehensive program from ERA Real Estate gives you access to invaluable insights and provides a clearly defined action plan to help you implement our most effective techniques. Your ERA Real Estate sales associate will work closely with you to help you complete each step in the process.

NO UNEXPECTED SURPRISES FOR BUYERS. GREATER PEACE OF MIND FOR ALL.

Curb appeal starts when potential buyers see images of the house online — clean, staged and clutter-free. Staging the property transforms everyday living space into a home that buyers can visualize as their own. Identifying needed repairs upfront makes for a smoother transaction. Purchasing an ERA Home Protection Plan® helps protect the buyer from the cost of unforeseen repairs after closing. As an ERA® Gold Star Property, your house will be seen as truly move-in ready and gives the buyer all the information they need to make an informed decision.
